Dearest Steve,

Well, here we are Steve, practically seniors and still trudging along. Words will never be able to express my feelings for you. We have had so many good times together. Take for instance the two Letterman Picnics, the Red and White Ball, the Commissioners Ball & the Shamrock Shuffle, all memorable occasions. We have learned an awful lot from each others mistakes & triumphs, but I guess that when two people's feelings are the same as mine for you they must learn a little more each day of their lives, and I am sure that in the future we will both profit from these observations. Steve, you have many fine qualities & I hope that in the near future you will strive to better yourself by uttering these qualities. May the rest of everything always come your way as I am sure it will and don't forget me or the way I feel about you.

Love always and forever, Pat

dedication

As our satellite reaches its orbit, we look back with reverence and gratitude upon the people who played a large part in determining our trajectory and aiding us on our way to the future.

For the past two years our satellite was guided with great skill and proficiency by Mr. Percy Allen. With his eagerness and willingness to serve us, and make our life in high school enjoyable, he has led us into many new and adventurous experiences. We have seen the hope of the future through his constant assistance and counseling on our behalf. Without his untiring efforts, many of us would not have succeeded in achieving our highest goals.

For these reasons and others too numerous to mention, it gives the Senior Class great pride in dedicating SENIOR SATELLITES to Mr. Percy Allen, our principal.

Mr. Percy Allen

PRINCIPAL

As this message is being written to you, much is being said about the world of outer space. The first satellite has been launched. It seems inevitable that the race is on for the invasion of the moon. What the future holds for mankind is anyone's guess.

As graduating seniors, this is your challenge. Are you ready to take your place in this critical age? Have the three years you spent at Hoover given you a balance between the humanities, the aesthetics and the scientific? Are you prepared to assist in building a better world which is in need of high moral and spiritual values?

My hope for each one of you is that you may meet the challenge with success and that each one of you will be able to contribute your share in making this world a better place in which to live.

Congratulations and Godspeed.

Percy Allen, Principal

Miss Dillon

Your senior year has been thrillingly unique. For the first time in history man-made moons shot skyward, there to circle silently in outer space.

Since Sputnik took to the heights, the most fantastic schemes now seem plausible. You have seen fantasy become reality. You have had your small, secure world suddenly expand. You have thrilled with the thought that your horizons now extend even beyond this planet. How exciting to be a senior in this new age of limitless, boundless space.

May this dramatic launching of man's first satellite, experienced by no other senior class, reveal to you the endless possibilities of your future. May you forever remember that the "impossible" now can be realized. May you confidently believe that although the universe is puzzlingly intricate, the answers are there. As you use your new knowledge may you hold fast to the age-old eternal values. As you grasp at the stars may you retain close kinship with God's greatest creation, man.

Miss Dillon

VICE PRINCIPALS

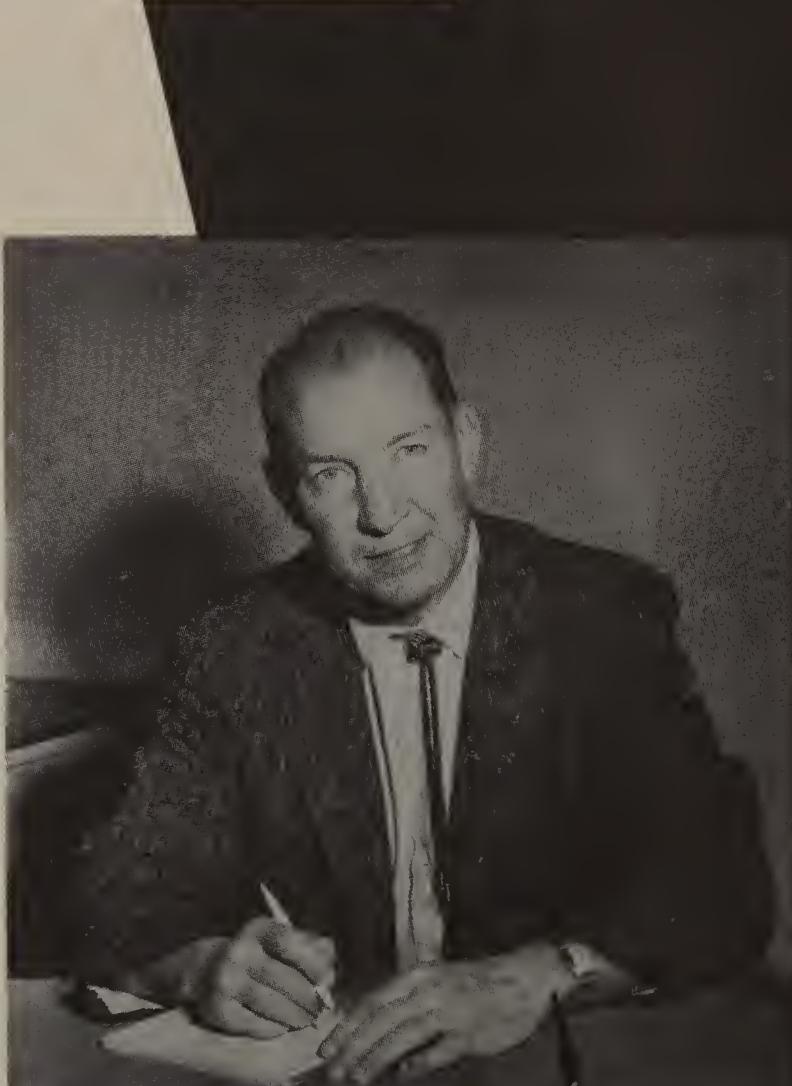

seniors:

The years of your high school career could be characterized as "the era of predicted doom." You have been told that nuclear weapons, an ever-increasing daily pace, the threat of war, and prospects of inter-space travel portends for you a dismal and frightening future.

Lest you become discouraged by such predictions you should be reminded that wars and rumors of wars" and "doomed" generations of youth are not unique to your time. From the "Age of Pericles" to the present time, each generation has had its prophets of doom. Yet, and this may be debated by the cynic, the current generation is almost always superior to the immediate predecessor. We are certain that this will be true in your case.

The years that lie ahead for you seem, to us at least, to offer a most wonderful, interesting and fascinating challenge. Frankly, we envy you. Good luck!

With the excitement of graduation so near and our heads filled with so many dreams, we, the class of June 1958, wish to pause a moment and lift our heads in retrospect for Jacqueline Stoddart.

JACKIE STODDART

It seems to us too useless
The task we're called to do.
There seems to be no answer
For folks like me or you.
And yet there is a reason
It is all in His plans.

Yes, there is an answer
That is guided by His Hands.
So try to understand, my friend,
The answer you will see.
When the time has come for your part in the plan
That's where your answer will be.

Dear Steve,

It sure has been a lot of fun back here in the book room. I'll always the times you stopped me when I was running through book seffs, and also the times you threw books at me. I want to wish you and Pat the best of luck always. I hope to see you sometime in the years to come. Have fun in the 12th grade.

Your friend always,

Carol Hawk

Ecivres is service spelled backwards, but this active group heads straightforward into all sorts of service projects. These twenty seniors represent Hoover's most honored and respected society.

Hi Steve,

It has been swell getting to know you at luncheons. I've really enjoyed the witty remarks and jokes that were floating around the tables. I only hope your senior year will be filled with many wonderful times as mine has been. Best wishes always to you & that cute gal of yours!

See ya at home coming,

Row 2: Mrs. Precourt, Smith G., Kalak Baehr, Derczo, Pine, Marsh, Hebert, Christodoulou,
Miss. Kefalas.

Our Hoover library is one of the most outstanding in the city. This is credited in part to the hours of work put in by these busy book-worms. Their sponsors, Miss Kefalas, Mrs. Monzingo, and Mrs. Precourt teach them to use books and reference materials and to become acquainted with library routine.

Row 1: Kidder, Beardslee, Howell, M. Walker.
Row 2: Banks, Morgan, Wagner.
Row 3: Grant, Ong, Watt, Lamar, Wasterlain.
Row 4: Sharp, Adams.

Busy is the word for these Hooverites who work unceasingly delivering notes, running errands, and getting students out of classes. Thank you from the Senior class for being such a big help all year.

Carrying notes and passes, answering the telephone, typing, keeping records, and welcoming new students are only a few of the activities of this organization. It is composed of students who would like to gain experience in secretarial work and perform a valuable school service.

Steve,
I haven't seen you very
long, but as long
as I have known
you I like you.
The best of luck in
your future and I hope
you have a lot
of fun this
summer. Be good.
Sincerely
yours, O.A.

The fine A Capella choir here at Hoover has proved their worth many times over in adding musical enjoyment to the Hoover agenda. In their distinctive new robes they stand as a symbol of Hoover's tradition and dignity.

CARDINAL 8

Row 1: Mahaffey
Row 2: Werner, Westling, Hogge, Stickney, Thompson, Slavit.

When eight male voices come together in harmony, that's something, but when they add up to San Diego's most talented octet, that's a crowning accomplishment even for Hoover.

The old favorites plus the new ballads are only a few of the songs this talented group of girls make more enjoyable during their many performances.

Front Row: Mahaffey, R.
Row 2: Grut, Mahaffey, R., Watkins, Bigler, Younger, Kennedy, Fix, Wroten.

TREBLE TONES

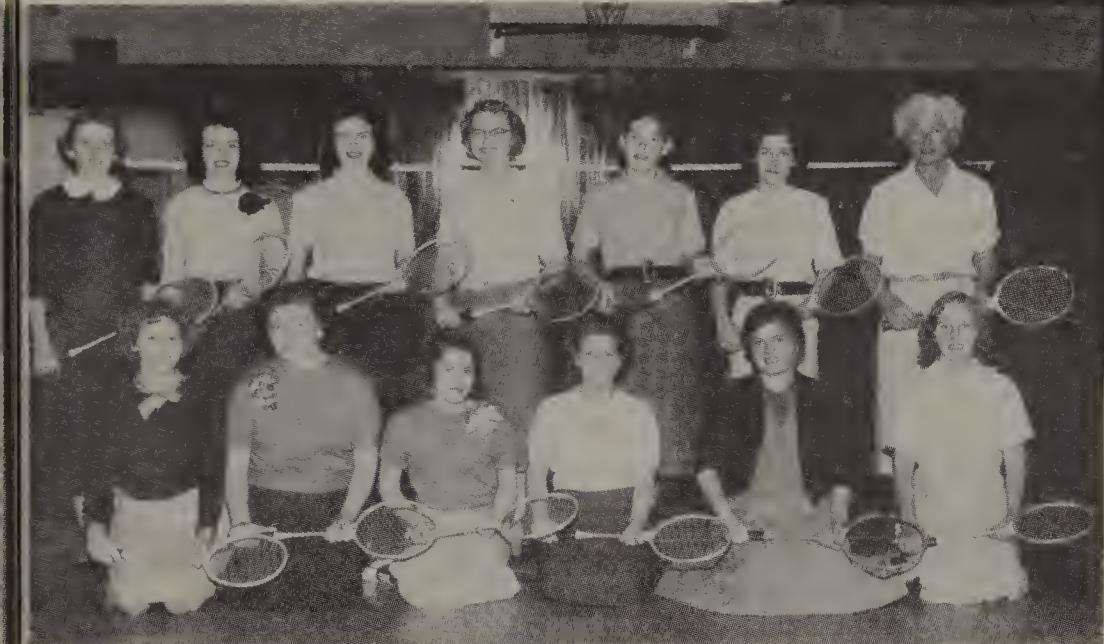

BOWLING CLUB

Through competitive games and various tournaments the members of the bowling club not only work to better their averages, but promote sportsmanship throughout the organization.

The Hoover gridmen, this year, completed a relatively successful season. After a slow start the Cardinal attack gained momentum overcoming several pre-game favorites.

Outstanding team effort highlighted the '57 season although we were not found lacking in outstanding individual ability. Hockerville representatives on the All-City Team were Dave Vorpahl, Chuck Arrington, and Bob Shaw, with honorable mention going to Marv Gilbert and Art Samuel. Coach Roy Engle's comments were: "Vorpahl, most improved; Arrington and Gilbert, most actual playing time; Shaw, exceptional running ability; Samuel, team inspiration; and Don Loshonkohl, fine senior prospect, with

valuable aid given by John Erickson, Sam Sharamitano and George Copitas."

One feather in Hoover's "helmet" was the sheer drive and will power displayed against favored teams of Lincoln, Saint Augustine and Point Loma. Our victory over Lincoln, 13-7, sparked team spirit in preparation for stopping Saints' attack 7-7. A combination of brains, brawn and sheer defiance made a glorious feat the night the Cardinal warriors smashed Point Loma, 18-13, breaking the three year jinx. Although the team was not wholly successful on the record, the team's spirit was an honor to Hoover.

To provide fellowship and brotherhood on campus is the goal of Hoover's bible club. Sponsored by Miss Burton, it is always busy with various social and service projects.

THE HOOVER GOAL POST

Row 1: Hatcher, Lambe, Friedrick.

Loads of bursting energy plus a real interest in the Hoover football team are the essential qualities needed to be a member of this staff that is busy putting out all programs for our home games.

BOOSTER CLUB

We're with ya team, so fight! This is the slogan of Hoover's Booster Club led by Jerry Smith. When in full force this group is rumored to be one of the loudest in San Diego, and it's no wonder, they have the finest teams in the city to yell for!

Row 1: Smith, Sgt. at Arms; Holloway, V-Pres.; Smith, Pres.;
Nelsen, Sec-Treas.

News from the classes, clubs, activities and sports are the fields covered by Hoover's weekly newspaper — "The Cardinal." The staff works many, many hours in and out of school to meet their weekly deadlines, and can be justly proud of their product.

THESE ARE
THE MEN OF THE
CROSS COUNTRY

Undefeated in five consecutive years of C.P.L. competition, the Cardinal Cross-Country team again this year won the championship. Under the expert coaching of Mr. Raleigh Holt and the inspiration of Captain Roland Eddy, the Harriers gained only $131\frac{1}{2}$ points to the combined score of $373\frac{1}{2}$ of their C.P.L. opponents. (In cross country the low score wins.)

Don Ivey, after a season-long rivalry with Roland Eddy, finally established himself as top man, outranking Eddy by only one percentage point. Easily the most successful sports organization on campus, the team deserves a cheer of approval from Hoover students.

VARSITY BASKETBALL

A wider distribution of team strength in the C. P. L. this season resulted in the stiffest competition in years. The Cardinal hoopmen, finishing in second place with Mission Bay and Saints, demonstrated fine team spirit and ability, both collectively and individually.

Greenwood's grace, jumping ability, and excellent eye made him sure choice for the All-city team. Characteristics of other team leaders were: Gilbert's rebounding; Dobyns' being in the center of action; Crosby's fighting spirit; Neil's determination; Samuel's team sparkling; and Britt's calmness.

The game most likely to be remembered by Hooverites was the first Cardinal contest with Lincoln. Hoover narrowly escaped defeat when, after a see-saw battle, Britt climaxed the game by sinking two free throws to send the game into overtime and Hoover to ultimate victory.

J. V. BASKETBALL

LEFT TO RIGHT: Haines, Cagle, Bocko, Schriefer, Duckson, Ramsey, Wiley, Potter, Williams, Smith, and Thomas.

TENNIS

Dave Gallup, Kenny Brooks, Fritz Werner, and Don LeMay, in that order, topped this year's Cardinal tennis team. Two of these, Gallup and Werner, are three-year lettermen.

In order to gain second place, the netmen will have to fight off those of San Diego and Saint Augustine. Again La Jolla is slated to dominate league play.

Next year's hopes are exceedingly bright due to a fine Sophomore turnout. One Varsity man and the top two J.V. men are Sophomores.

Kneeling: Snow, LeMay, Slocum, Addleson, Sanford. Standing: Coach Whitehead, Hutchinson, Scott, Gallup, Brooks, Heumann, Owens, Werner.

GOLF

Golf, one of the most popular sports nationally, is well represented here on campus by the Cardinal golf team. Although somewhat obscured by the primary interscholastic sports, the team afforded much satisfaction to its interested followers.

Our leading men on the green boasted great talent and showed great promise. Top man, Carl Welte shoots consistently in the low 70's and on occasion has dipped to 69. Second and third men, Jim Anderson and Ron Brown, are only slightly above him in score.

First Row: Hines, Tucken, Anderson, Brown, Welty, Coach Hub Foote. Second Row: Alsen, Dneischmeyer, Callagy, Deppe, Achenbach, Cohen.

WRESTLING

The outstanding feature of the Cardinal wrestling team this year was individual talent. With a record of 2-3-1, the matmen tied with Mission Bay for fourth place.

Five Hooverites placed in the C.I.F. quarter-finals: Boyle, 112 lbs.; Gallup, 133; Boren, 145; Copitas, 154; and Swanson, 164. Copitas won the quarter and semi-finals and missed the C.I.F. championship by only one point.

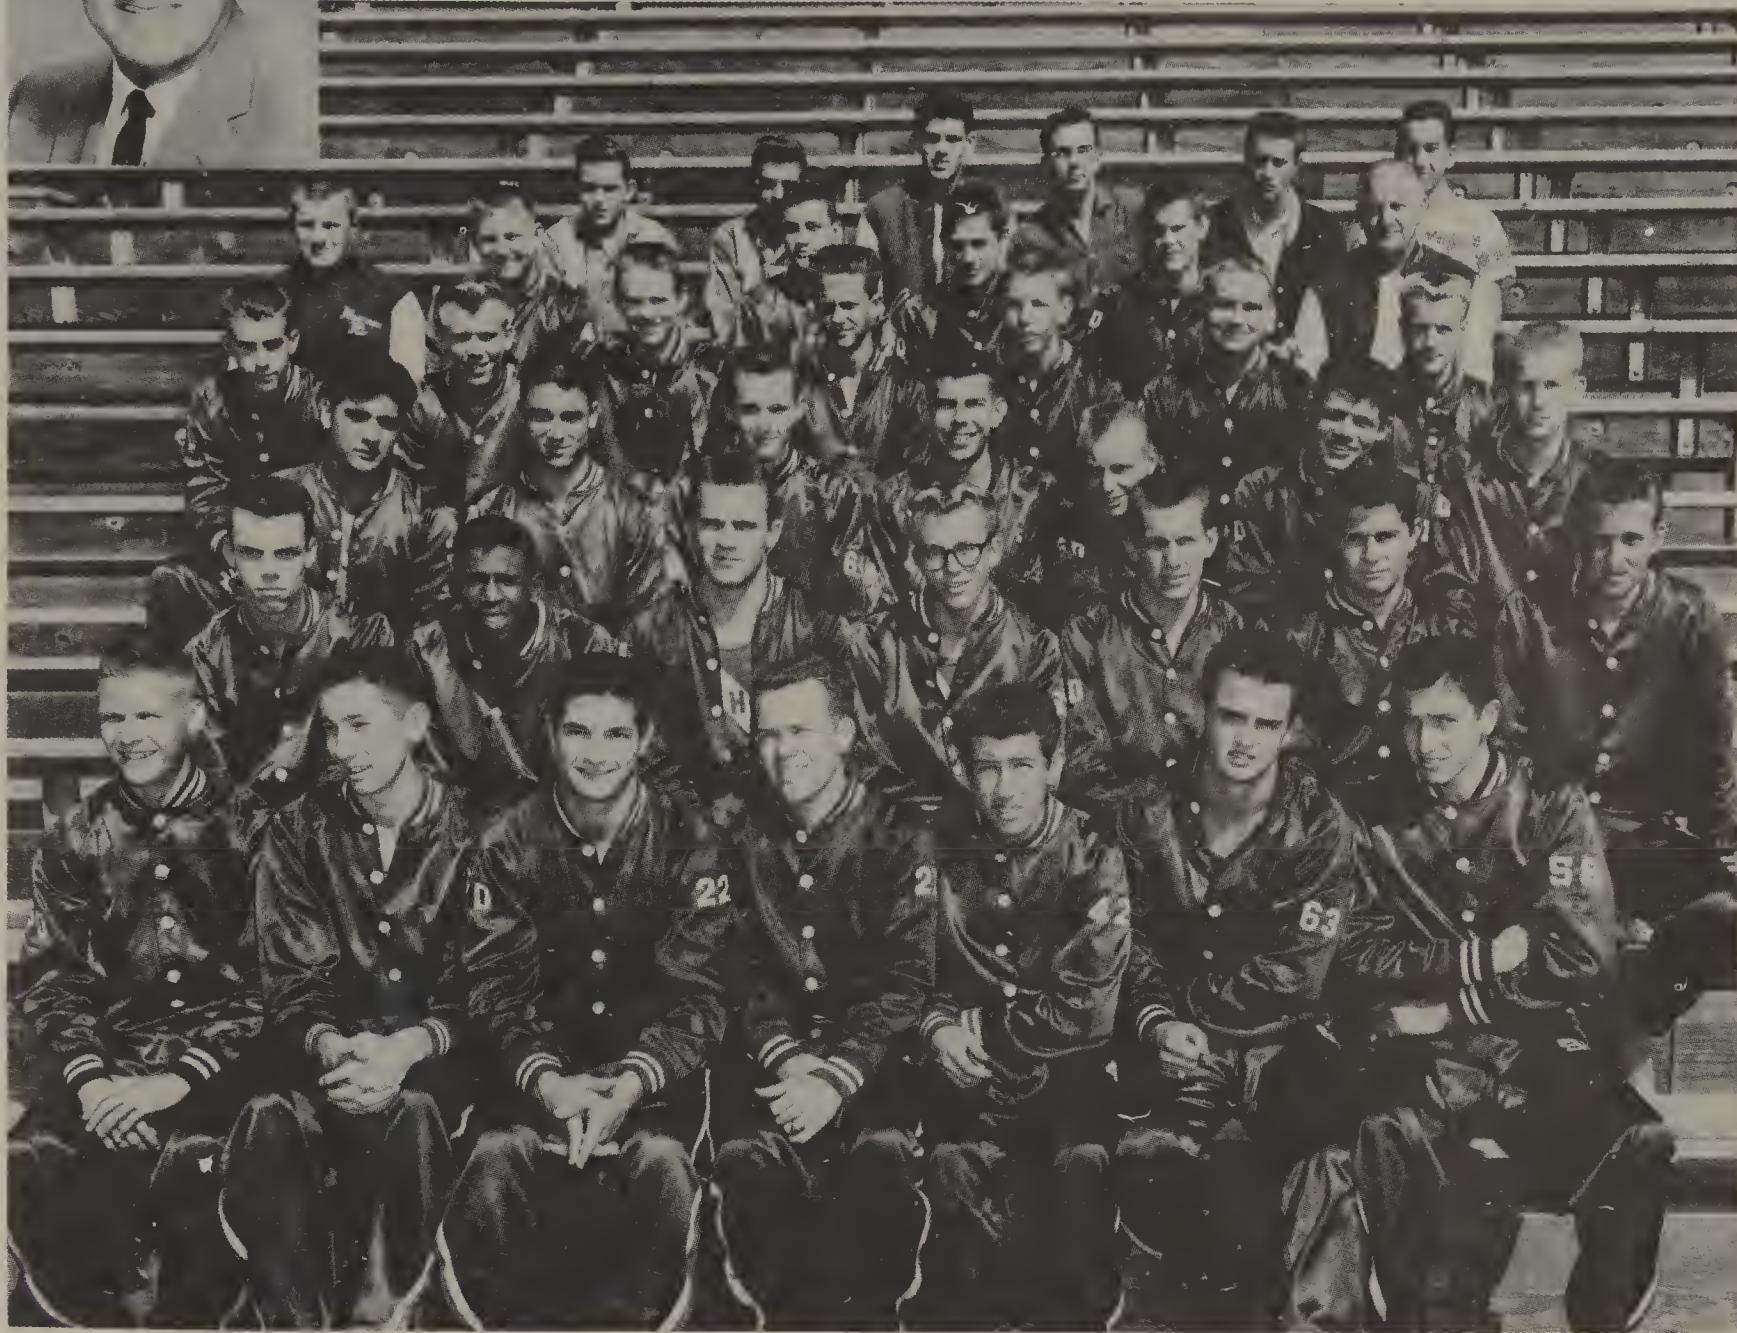

Hoover welcomes the return of this fine competitive sport and anticipates victory here as in the other interscholastic events. Next year's squad will sport Meek, Mosley, Gilbert and Kindt as a nucleus, along with Kingsbury, Robert and McGaughey.

Standing, Varsity: Hines, mgr., Meek, Kingsbury, Robert, Boyle, Alesi, Griffin, Arellano, Gallup, Boren, Copitas, Swanson, Devereux, Lawson, McGaughey, Coach Hub Foote.
Sitting, J. V.: Kaufman, Bush, Lee, Farris, Nelson, Sroufe, Hall, Pinson, Frontis, Lowrey, Pleasant, Moskowitz, Bard, Kindt, Coker, Christensen, Hileman.

VARSITY TRACK

First Row: Fischer, Lee, Copitas, Burchard, Bueno, Erickson, Nosari. Second Row: Johnson, Greenwood, Swanson, Valderhaug, Jarmusch, Clifford, Bassett. Third Row: Cesena, Adams, Ivey, Eddy, Mortensen, Herbert, A., Stankey. Fourth Row: Buatt, Van Moren, Gore, Nelson, Kates, Johnson, Pleasant. Fifth Row: Coach Kovac, McGaughy, Mann, Herbert, J., Sheehy, Coach Holt. Sixth Row: Archibald, Borcher, Pierce, Brown, mgr., Richardson, mgr., Guedes, mgr.

For the last four years Hoover has fielded the top C.P.L. track team. Although we boasted sorted individual talent, this year's team has not quite measured up to its immediate predecessors. This condition is due to three major reasons: (1) that the opening of Crawford took several of our fine athletes; (2) that the unusually heavy spring rains have kept the track in an unusable condition for many valuable days; and as a result of both of these reasons, (3) that the team lacked general experience.

There were several things to be praised, though. Perhaps the most prominent of these was the individual talent. Two men were outstanding as individual competitors. Johnny Erickson approached the school record of 12' 7" in the pole vault with each meet. Larry Fischer's almost consistent 10:01 hundred yard dash was just a tenth of a second or so over the school record.

With the remedy of this year's problems, the future looks bright to Coach Raleigh Holt. It should not be long until Hoover once again predominates the C.P.L.

First Row: Shaw, Cash, Bolger, Oberg, Place, Loso, Steel.
Second Row: Rice, Loshonkohl, Britt, Layson, Tenney, Gilbert,
Palmer, Post, Favero, Coach Vickery, Dunsing, mgr.

Representing America's national pastime here on campus, the Cardinal baseball team has really come into it's own. Among many outstanding features, hitting has been the most prominent. Oberg has led the team to date, with Steel, Favero, and Post supporting him consistently.

Cardinal pitching has been generally up to our hitting. To date, Layson has won five, with Palmer, Post, and Britt adding important wins.

Hoover boasts some of the finest defense men in the league; particularly in Carl Oberg, probably the most outstanding third baseman in the league. Shaw and Loso as well, cover their position with excellent ability. In addition, their running ability has been a great help scoring extra runs.

With all these advantages Hoover's hopes are extremely bright this year in the C.P.L. Our main rivals are San Diego and Point Loma.

Coach Vickery says that next year's hopes are equally as bright with Post, Britt, Place, Loso and Loshonkohl returning, as well as a sharp J. V. team coming up.

The staff of the 1958 DIAS CARDINALES would like to take this opportunity to extend our deepest and sincerest appreciation to all who helped make SENIOR SATELLITES possible:

To Mr. Jeter, our advisor, we of the staff owe our deepest thanks for many helpful suggestions offered to each of us. Without your untiring efforts we could never have met all our deadlines.

The Art Editors, Jean Richey, John Neyman, and Frances Hardie, as well as the whole staff, would like to express our acknowledgement to Mr. James Wallace who assisted in every way possible towards making the art work in this Annul outstanding.

To Mr. S. Guilliani and Mr. R. Engle, as well as the Senior Cabinet, for approving our budget.

The padded covers of this Annual would not have been possible without the help of the S. K. Smith Company.

The San Diego Lithograph Company deserves a big thanks for the printing of our book and offering many fine suggestions on the lay-out pages. A particular note of thanks to Mr. Jake Thornton for all the assistance he has been more than willing to give.

Our Junior Assistant, Hedy Mullican, did a fine job on Senior write-ups and acted more or less as "slave" for the Annual Staff.

A big thanks is also given to the faculty who cooperated so willingly towards making this Annual possible by excusing many staff members for Annual business.

Graduates, this is your Annual and we of the Annual Staff of 1958 hope you will enjoy it as much as we have enjoyed bringing it to you. We hope it will recall many fond memories of your Senior Year at Hoover.
